

ŘEZ 1-1

This architectural cross-section drawing, labeled 'ŘEZ 1-1', illustrates the internal structure and plumbing layout of a building. The drawing shows a gabled roof with a truss system. The interior space is divided into several rooms, including a kitchen area with a window, a bathroom with a toilet and sink, and a living area with a fireplace. Dimensions are provided for various elements: a window height of 2860, a door height of 2700, a sink height of 2895, and a toilet height of 2860. The drawing also shows the roof structure, including rafters and a ridge beam. The ground level is marked as +0.040, and the basement level is marked as -2.050. The drawing includes a section line '1-1' and a scale bar.

ŘEZ 2-2

Architectural cross-section drawing of a building, labeled "ŘEZ 2-2". The drawing shows a gabled roof structure with a truss system. The interior features a large open space on the left and a smaller room on the right containing a toilet and a shower. The toilet is shown with a toilet fixture and a window. The shower area is indicated by a dashed line. The drawing includes various dimensions and level markers: a height of 2500 for the main room, a height of 2752 for the shower area, a level of ± 0.000 for the ground floor, and a level of -2.050 for the basement. The roof level is marked as +4.040. The drawing also shows the foundation and the ground level with a hatched area indicating the ground surface.

Architectural floor plan showing a cross-section of a building. The plan includes various rooms and structural elements, with dimensions and room numbers indicated.

Section Line: REZ 4-4
